TECHNICAL SKILLS

- Languages : Python, C, C++, JavaScript
 - Web Technologies : HTML5, CSS3, Node.js, Express.js
 - Databases : MySQL, PostgreSQL
 - Tools & Platforms : Git, GitHub, Cloudinary, Arduino IoT Cloud
 - Core Competencies : Data Structures & Algorithms, OOP, DBMS, REST APIs
 - Soft Skills : Problem Solving, Team Collaboration, Time Management, Adaptability

PROJECTS

- TruckBoss-Pro — Fleet Management System | [GitHub](#) / Node.js, Express.js, MySQL, JWT, Socket.IO, Chart.js

2026

 - Engineered a full-stack fleet management platform to streamline vehicle tracking, driver allocation, fuel logging, and maintenance operations via a centralized dashboard.
 - Implemented secure RESTful APIs with JWT authentication and bcrypt password hashing to enforce role-based access control.
 - Architected a relational MySQL schema and optimized CRUD operations for transactional records and asset management.
 - Integrated Chart.js for real-time revenue and fleet utilization analytics, alongside a responsive interface built with HTML5, CSS3, and JavaScript.
 - Connected Cloudinary for document storage and utilized Socket.IO to enable bidirectional, real-time status updates.
- IoT Smart Home Controller | C++, ESP32, Arduino IoT Cloud

Oct 2025 – Nov 2025

 - Developed an IoT automation controller using an ESP32 microcontroller and Arduino IoT Cloud for remote appliance management.
 - Interfaced GPIO pins with multi-channel relay modules to safely switch high-voltage AC loads and low-voltage DC peripherals.
 - Programmed robust C++ firmware to manage Wi-Fi reconnection routines, device initialization, and low-latency cloud synchronization.
- Responsive Multi-Page Blog Platform | HTML5, CSS3

Sep 2025

 - Built a mobile-first blog platform utilizing semantic HTML5 tags to enhance accessibility and structure.
 - Designed fluid layouts with CSS Flexbox and media queries to ensure seamless rendering across desktop and mobile viewports.

CERTIFICATIONS

- Computer Programming – iamNeo (2026)
- Python Programming Certification
- WNS CyberSmart Certification
- Time Management – TechVeda (2024)

EDUCATION

Lovely Professional University	2025 – Present
Bachelor of Technology in Computer Science and Engineering (AI/ML)	Status: Pursuing
DAV Multipurpose Public School	2024
Senior Secondary (Class XII)	Percentage: 81.6%
DAV Multipurpose Public School	2022
Secondary School (Class X)	Percentage: 86.0%
